Several residents have been having their mail misdirected. If you get someone else's mail please put it back in the out going mail to be redirected to the intended recipient.

Children both teen and pre-teen have forced the east double doors of the **Woodcreek** clubhouse opened on two occasions. It appears other than door hardware nothing else was damaged. This is needless to say very eye opening for both our vulnerabilities and the future of our young **Woodcreek** residents. The children in question have been recorded on the clubhouse surveillance system. When known, these children's parents have been contacted. If this behaviour continues we will be forced to bring in the authorities. Remember Parents are responsible for ALL the actions of their under-age children.

New parking rules go into effect October 1st, 2019, and will be enforced. New parking rules are, first violation will receive paper warning. All car info will be recorded. Second violation is a sticker on window. Third violation is immediate tow. Please park in garages and carports, or in the overflow parking by clubhouse. Any complaints regarding parking will be resolved through email only, not at our monthly meetings.

The Do's and Don't's of Woodcreek are printed for your convenience on the back of this newsletter.
