

At the August monthly board meeting we learned that some on the board are pushing for more no parking signs throughout the neighborhood to discourage policy breaking residents. Also mentioned was the possible need for long term parking in the overflow parking lot to have purchased, time limited, permits, as once was the rule in Woodcreek. Please utilize all your parking areas and don't abuse our parking policies.

POOL CLOSES LABOR DAY WEEKEND

The clubhouse may be rented by any residence of Woodcreek by contacting Barbara Johnson. \$100 refundable deposit if returned in like found condition and \$50.00 dollar rental fee.

The Board would like to thank the newly formed **PARKING COMMITTEE!** As with all positions in **Woodcreek** these are volunteers who take time out of their schedules for the betterment of **Woodcreek**. These are three of our hard working residents! They would love any help! If you can do even just your stretch of street or alley the help will be greatly appreciated! Contact Lee Jackson if you want to help **Woodcreek**.

Come out and enjoy the pool during its last few days of the season! AS always the pool is opened on **MEMORIAL DAY WEEKEND** and closed on **LABOR DAY WEEKEND**. Please follow all the posted rules. Some of our residents that have not been following the rules have been identified and **banned from using the pool**. Again, if you see something not permitted please notify the Board and if immediately concerning such as drinking alcohol please call the **Edmond Police ASAP**. As always if they don't have a **key** do not open the gate for them. If they don't have a key to the pool they need to contact a board member. Do this for your own and everyone's safety. We want our pool to continue for the enjoyment of **WOODCREEK**.
